

The Deans Primary School Newsletter

Tuesday 18th June 2013

The Ofsted Inspection carried out before the holidays confirmed that our school is
Outstanding in all areas.

The summary of the key findings is attached. They show how hard everyone at The Deans has worked to achieve **Outstanding** in all the four areas judged by Ofsted inspectors:

1. Achievement of pupils
2. Quality of teaching
3. Behaviour and safety of pupils
4. Leadership and management

Nationally less than 10% of schools attain this grade.

None of this could have been achieved without the great team work from staff, pupils, parents and governors.

A big thank you for all your support, this is a fabulous achievement.

Asthma

As all parents of children with asthma know, at The Deans parents fill in a care plan with necessary information, annually. If during the year that information alters in any way please inform the class teacher so an updated care plan can be put in place.

Salford City Reds

We were fortunate to be able to offer free tickets to KS2 children and parents to attend the Super League match against Bradford Bulls. 113 tickets were distributed and everyone seemed to enjoy themselves at Barton Stadium.

Regarding E-Safety can I remind all parents that photographs taken at school events are for personal use only and not for posting on the internet.
